Logistics

At Peko Food, we pride ourselves on being one of the premier providers of logistics solutions for fresh fruit and vegetables in Europe. Our facilities and advanced transportation network ensure that your produce arrives at its destination in peak condition. From farm to fork, we manage every step of the supply chain with precision and care, maintaining the highest standards of quality and freshness.

Value Added Services

At Peko Food, we offer the best cold storage supply chain solutions to maintain optimal freshness and extend the shelf life of the products. From transport to customs clearance, from packaging to warehousing, our team is dedicated to give the best service and continuous improvement, constantly exploring new ways to add value and streamline processes with the latest technology developments.

Export to Europe

At Peko Food, we offer comprehensive consulting services tailored to the needs of exporters from Turkey to Europe. With our extensive expertise and strategic location, we provide end-to-end solutions to ensure your fresh produce reaches its destination efficiently and in optimal condition.

Based in our Sofia office and supported by our temperature-controlled warehouses, we manage the entire process from the producer to the end customer. Our services include organizing the loading from the producer, arranging reliable and timely transport, and handling customs clearance in Sofia. Once cleared, we ensure seamless FTL & LTL distribution to destinations across Europe.
